

Dyeing with Mushrooms

by Forester Eirik Gralókk (Michael Matthews) of Sacred Stone

Mushroom dyed silk yarn

Dyed with Dyemaker's Puffball (*Pisolithus tinctorius*) collected in northern Atlantia, July 2023
Hot water extraction, no mordant.

Mushroom dyed wool yarn

Dyed with yellow bolete (probably *Boletus auripes*) collected in southern Atlantia, September 2022. Vinegar ferment with iron mordant. Note: some fading on sample.
